

Customer Support Knowledge Base

Account Access

- If a user forgets a password, direct them to reset via the login page.
- Password reset links expire after 30 minutes.
- For locked accounts, support can unlock only after identity verification.

Billing and Refunds

- Refunds are allowed within 14 days for monthly plans.
- Annual plans are prorated only if service outage exceeded 48 hours.
- Chargeback disputes are always escalated to a human billing specialist.

Service Reliability

- Known outages are posted on the status page.
- If issue persists after status is green, gather logs and escalate.
- Critical production incidents require immediate human intervention.

Communication Policy

- Never promise compensation before policy confirmation.
- If legal language appears in customer message, escalate to human.
- Maintain concise and respectful tone in all customer responses.
